AFL Global

Fiber optic cables, OPGW, ADSS, fiber management, fiberoptic hardware, complete FTTH package, fusion splicing, test & inspection equipment. Substation welded, bolted, and swage connectors. Substation bus, copperclad wire, Alumoweld wire, dampers, spacers, spacer dampers, formed wire. Transmission compression connectors and accessories. Distribution connectors and dead ends.

Diversitech

Lightweight concrete composite transformer pads

Firon

Non-automated, air-break, overhead switches - 100A through 900A, 15kV-69kV. Traditional, vee style, in-line, and bypass style

Hico America

Power transformers, shunt reactors, gas-insulated switchgear, STAT-COM, battery energy storage solutions.

HIGHLINE
Energy Products
by Oldcastle Infrastructure

Highline Energy Products

Handholes, underground enclosures, modular box, and duct systems. Polymer concrete, fiberglass, HDPE.

Laminated Wood Systems, Inc

The world's leading supplier of engineered laminated wood structures and wood pole management products to the electric utility and telecommunication industries

MacLean Power Systems

Transmission and distribution pole line hardware, transmission and distribution insulators, substation insulators, stringing hardware, stringing equipment, automatics, connectors, arresters, cutouts, anchoring, grounding, fiberglass crossarms, fiberglass brackets, guy-strain insulators, crossarm braces, conductor hardware, and safety products

North American Substation Services (NASS)

Nationally-recognized expert specializing in transformer and substation apparatus installation, services, and repair.

NDB Technologies

Portable, rugged, test equipment for partial discharge, micro resistance, substation maintenance test equipment, and cable & phase identification systems.

For more information, visit us online by scanning the QR code below with your phone's camera:

Nightswitch

Long life, dusk to dawn, locking type photocontrols for LED roadway and area lighting applications

Northern Transformer

Transformers: oil-filled station, 3-phase padmount, station service, grounding transformers, mobile transformers.

Oldcastle Infrastructure

Substation cable trench and covers, ballistic walls, refractory firewalls, polymer boxes, pads, pedestals

Real Term Energy

A North American leader in providing energy-efficient, turnkey LED street lighting conversions for cities, towns, and regions

Richards Manufacturing

Network protectors & relays, pre-molded cold shrink 600A tees, splices, and 200A elbow connectors.

Ritz

Instrument transformers, 600V to 345kV, CT's, VT's, CVT's, solid insulated bus bar

Service Wire

Bare copper, insulated copper LV, and control cables. Cable management programs.

Slingco

Full line of cable pulling and hanging grips, swivels, testers, and specialty pulling products

Southern States

Group operated switches, phase over phase switches, ground switches, motor operators, circuit switchers, load & line switchers, mobile substations, distribution reclosers, field services for retrofits or upgrades. The utility industry's switching solutions provider.

Whatley

Composite decorative lighting poles, bases and lamp posts

William Frick & Company

Reflective markers and signs, labels, decals, barcodes, nameplates, RFID tags and systems.

Vanguard Electric

Substation and distribution porcelain insulators
