ABG Bag

Self-lifting transformer containment bags, capacitor bags, dirt bags, and three-phase pad-mounted transformer flex trays

AFL Global

Fiber optic cables, OPGW, ADSS, fiber management, fiberoptic hardware, complete FTTH package, fusion splicing, test & inspection equipment. Substation welded, bolted, and swage connectors. Substation bus, copperclad wire, Alumoweld wire, dampers, spacers, spacer dampers, formed wire. Transmission compression connectors and accessories. Distribution connectors and dead ends.

Diversitech

Lightweight concrete composite transformer pads

DynaGrid

Contractor specializing in transmission & substation foundations, pads, site work; trench, conduit & ground grid installation.

Galvotek

Aluminum, zinc, and magnesium cathodic protection anodes. Cathodic protection services, both galvanic and impressed current systems. BAC pin brazing system

GE Protection and Control Automation

P&C and automation products and services-recloser controls, line & equipment relays, digital power measurement & quality meters, RTU's, ethernet switches, clocks, fault recorders, custom panels & control houses, digital instrument transformers & digital substations with IEC 61850

HICO America

Power transformers, shunt reactors, gas-insulated switchgear, STAT-COM, battery energy storage solutions.

HIGHLINE
Energy Products
by Oldcastle Infrastructure

Highline Energy Products

Handholes, underground enclosures, modular box, and duct systems. Polymer concrete, fiberglass, HDPE.

MacLean Power Systems

Transmission and distribution pole line hardware, transmission and distribution insulators, substation insulators, stringing hardware, stringing equipment, automatics, connectors, arresters, cutouts, anchoring, grounding, fiberglass crossarms, fiberglass brackets, guy-strain insulators, crossarm braces, conductor hardware, and safety products.

North American Substation Services (NASS)

Nationally-recognized expert specializing in transformer and substation apparatus installation, services, and repair.

For more information, visit us online by scanning the QR code below with your phone's camera:

Newpark

Twenty-year history supplying/renting composite substation & transmission mat systems and access road services. Equipotential zone (EPZ) mats for grounding needs

Northern Transformer

Transformers: oil-filled station, GSU, auto, station service, specialty power transformers, mobile transformers.

Rauckman Utility

Wildlife mitigation products, meter pullers, specialty lineman's tools

Richards Manufacturing

Network protectors & relays, pre-molded cold shrink 600A tees, splices, and 200A elbow connectors.

Service Wire

Bare copper, insulated copper LV, and control cables. Cable management programs.

Slingco

Full line of cable pulling and hanging grips, swivels, testers, and specialty pulling products

Southern States

Group operated switches, phase over phase, switches, ground switches, motor operators, circuit switchers, load & line switchers, mobile substations, field services for retrofits or upgrades.

TS Conductor

High efficiency, high capacity overhead conductor for transmission and distribution. Compatible with ACSR/ACSS tools and work methods.

Uticom Systems, Inc.

Uticom Systems, Inc is the leader in compliant and durable graphics for the electric utility environment. Uticom specializes in labels, markers, tags, ANSI/ OSHA safety graphics, waterproof tags, maintenance and inventory control tags & labels, line posts, decals, and custom signage for the utility market.

Valmont Newmark

Steel, concrete, and hybrid transmission poles, steel substation structures, steel distribution poles; substation and transmission packaging, prefab substations.

Vanguard Electric

Substation and distribution porcelain insulators
